

Need an Experienced Facilitator/ Business Advisor?

Looking for someone with retirement and investment industry experience to review your business or retirement fund strategy and/or facilitate constructive discussions amongst decision makers?

Uniqueness:

All Partners have in excess of 30 years experience at C-suite level

A mixture of corporate and entrepreneurial experience

Have advised retirement funds and businesses (retirement and investment)

You select the Partner that fits your preference

Practical, professional, personable

Way more cost effective than management consultants - and more practical!

We always say that "if you like everything we say, we've failed you".

For more details contact:
Leon Greyling
